- Everyone spends whole life to get the best future for Self as well as Family.....Right?
- Most Individuals have Insurance so that their Family gets funds - when You Leave Them
- Family will get insurance claims, other properties BUT where is your instruction to spend / distribute funds?
- Without any Instruction your family might get confused OR fight to decide who should get what portion...Right?
- Make Your Will and provide your family your Wish List or Instructions to distribute your properties when you leave them
- Ensure that your Family continues "To Be Together Forever Happily without Fights"

LegalJini.com
